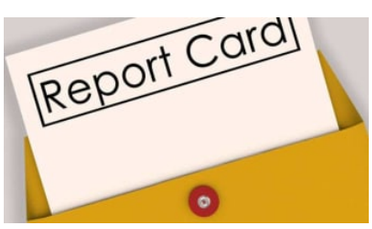
Principal's Message

Happy December, Ladner Elementary Families! What a whirlwind of a term, figuratively and literally! Now that "snowmageddon" is behind us, for now, we just want to remind our students to continue to dress for this unpredictable weather, have appropriate footwear, scarves, hats and gloves as we do go outside for recess and lunch as much as possible! Also, in the spirit of giving, Ladner Elementary has started to collect non-perishable food items for the Food Bank, from now until December 9th. Our goal is 1500 items! If we reach our goal, Ms. Matheson has kindly offered to be duct-taped to the wall in a superhero suit! Please do make sure that anything expiring in 2022, or January 2023 will not be accepted by the food bank, so we appreciate that you check the dates prior to bringing in the item. We have some fun, festive theme days planned for the last week of school. Please look at the calendar events at the end of this newsletter. As Term One comes to a close, on behalf of the staff at Ladner Elementary we hope students and families enjoy a safe and happy holiday break!

Winter Solstice Concert - December 8th

By now, families in division 5-23 should have received a notice with concert details along with 2 concert tickets. If you are not planning to attend the evening concert, please return the tickets with your child back to their teacher. A reminder that families are welcome to attend the afternoon Dress Rehearsal at 1:15pm.

MyEd Report Cards



Delta School District has transitioned to MyEd Reporting to align with the rest of the Province. With system changes, minor technical issues may occur, so thank you in advance for your patience and understanding if we have to make any adjustments. We aim to publish the reports for Parent Connect viewing on December 12th. We look forward to sharing your child's progress this term with you!

Homework Club

Just a reminder that any students from grades 4-7 wishing to have some schoolwork/homework help are welcome to come to Homework Club in the library every Wednesday from 8am-8:30am. Mr. Gregg (Learning Support Teacher) will be available to offer any extra help! **Please note: Students who come must bring work with them.**

Fall Into Vision

In the fall of 2021, Delta School District unveiled our Vision, Mission and Values for the next decade, following several months of dialogue with staff, students, families, education partners and local First Nations Peoples. Learn more here : https://www.deltasd.bc.ca/district/our-vision

Construction on 44 Ave

We have been notified by the City of Delta that the roadway and utility improvement project is nearing completion! The new multi-use pathway and the new sidewalk is already in use, and the City has been posting pictures and videos on their social media platforms to highlight the projects and also to gain feedback from the residents. Please see the link below to the Instagram video they posted. https://www.instagram.com/p/ClXsemQj_g0/?hl=en
