

Starting With Stories

Dear Parents and Grandparents:

Please join us to learn ways to help your child get a good start in school. Come out and join us for 3 Starting With Stories sessions and then Kindergarten Orientation. At each session your child will receive a free book and have the opportunity to meet some of the Kindergarten teachers, visit classrooms and meet some other new Kindergarten students.

While children are taking part in classroom-based activities, parents will participate in a workshop presented by one of our school district's coordinators or staff member. These workshops will take place in the school's staff room.

Each Starting With Stories session will last approximately 60 – 75 minutes.
