UPDATE FROM THE PLAYGROUND COMMITTEE:

We are pleased to announce that design plans for the new playground are underway. We have requested proposals from two suppliers and are confident they will deliver products that will be enjoyed for generations. Plus, we are working with the talented and knowledgeable Deb Jones of the Cougar Creek Streamkeepers, to design our rain garden. All the plans and updates will be on our website which will be launched later this month.

We are also happy to report that we have raised more than 25% of our fundraising goal of approximately $200,000. We have been grandfathered into the cost-sharing program with the City of Delta and we will receive a $45,000 grant plus the school district will contribute $35,000 in-kind services. We have also been advised they will address the drainage issues we are currently experiencing. Can you say “yay! For no more mud!!!”

Our fundraising committee has been working hard to offer a wide variety of opportunities that we feel appeal to everyone. With your help and community support, we anticipate reaching 50% of our goal by the end of the year. Take a look at what we are currently offering:

Local Business Savings Card - just $20 gives you access to discounts for a select number of businesses in both Ladner and Tsawwassen.

Panago Ladner - we have recently partnered Take Out Tuesdays!

Bottle Drive at Return-It - contact us to arrange for large pickups or simply drop your recycling at the express kiosk at any Return-It center and use the school phone number (604-946-4158) to print your express labels.

Thank you to the dedicated team who has kept this fundraiser going all year! And thank you to individuals and businesses who have made direct lump sum donations. If you wish to donate, we would love to speak with you.

We are currently looking for volunteers to help with grant writing and communications. If you feel you could assist in any capacity we encourage you to email us.

MAKE A DONATION

If you, your family members, your company, or any associations you may be involved with would like to donate directly to the Playground Project at Ladner Elementary, please email us at lepacinfo@gmail.com as your contribution must be made directly to the school board and held in trust for us.

A prominent Donor Recognition Plaque at the new play park as a "thank you" to donors that contribute $1000 or more directly to the school board. Contact us at lepacinfo@gmail.com to learn more.

Thank you for your support and interest in our playground project!
Sincerely, Parents of students at Ladner Elementary School
