JUST KIDDING

Reminders:

Breakfast Club:

We're excited to announce that **Breakfast Club** will officially begin again on **Monday, September 22!** We know many families have been eagerly waiting, and we're so pleased to be offering this meaningful program for a **third consecutive year.**

The Breakfast Club is designed to support **students who may benefit from a calm, welcoming space and a nutritious meal to start their day.** It offers a gentle, positive beginning to the school day—helping students feel ready to learn and thrive.

The program is **open to all students** and runs **Monday to Friday from 8:00–8:30 AM in The Nest,** on regular school days (excluding Pro-D days and stat holidays). Students enter through

the **front doors**, and at **8:30**, Grades 1–7 head to their lineups, while **Kindergarten students remain in The Nest until the first bell at 8:42**.

We strive to provide **healthy, balanced breakfasts in alignment with Canada’s Food Guide**. Some examples of what may be offered include **2% milk, yogurt, cheese, fruit smoothies, whole grain cereals, toast, pancakes, and fresh fruit**.

The program is run by **Ms. Dhillon**, alongside a wonderful team of **staff and student volunteers**. While we receive **partial funding from the Delta School District**, we always welcome **additional support**—whether financial or in-kind—from our school community.

To help us ensure the program continues to meet the needs of families who benefit most, a **sign-up form** was sent home this Sunday afternoon. If this program would be helpful to your family, please return the completed form to Ms. Dhillon.

Individual Student Photos:

Individual student photos will take this Wednesday (all day). If your child should be away this Wednesday, please note that photo re-takes have been scheduled for Wednesday, November 5 (morning).
