**Halloween Costumes:**

- staff would like our families to know the following guidelines with respect to the costumes students wear to school for our Halloween Parade and other Halloween festivities on October 31:
  - no masks
  - no inflatable costumes
  - no replica weapons and/or violent accessories
- the staff thank our families in advance for following the above guidelines with respect to Halloween costumes

---

**Helmet Safety:**

- recently, staff have noticed an increased number of students (and parents) riding to school without wearing a helmet
  - this is just a reminder that, in British Columbia, it is mandatory for all cyclists, regardless of age, to wear a properly fastened and fitted bicycle safety helmet when riding on a public road
    - this law applies to riding on all roads and pathways
  - please note that a parent or guardian is responsible for ensuring a child under 16 wears a helmet
  - please check out the following link for information on how to properly fit a safety helmet and how to encourage a child to wear one
