

The École Ladner Elementary...
Peek at the Week
For the Week of December 8 – 12

JUST KIDDING

Reminders:

Food Drive:

- this is just a reminder that our annual food drive ends this Friday
- we are well on our way to reaching our target of receiving 1,600 donated food items
- all donated food will be given to the *South Delta Food Bank*
- according to the *South Delta Food Bank*, the food items most in need include:
 - canned protein (fish and meat)
 - canned fruit
 - canned vegetables
 - meals in a tin (e.g. stew, pork n' beans)
 - whole grain rice
 - pasta and pasta sauce
 - healthy canned soup
 - baby formula (large cans)

- please be careful of the dates on food items being donated – we cannot accept food that has expired or food with an expiry date in 2025
- please note that we cannot accept food that has been previously opened, leaking, or in rusted cans
- on behalf of the *South Delta Food Bank*, we thank you for your support of this worthy cause

Wheeled Modes of Transport at Ladner Elementary:

- this is just a reminder of the following expectations with respect to all wheeled modes of transport (e.g. bikes, scooters, skateboards, rollerblades, etc.) at Ladner Elementary:
 - ***all wheeled modes of transport must be walked, not ridden, while on school grounds between 8:30 am and 3:30 pm***
 - this means all individuals (students, parents, and staff) must dismount at the perimeter of the school grounds and walk their equipment to the destination (e.g. bike rack or class line-up area)
 - riding wheeled modes of transport is only permitted once you have exited the school premises entirely
- this is also just a reminder that, in British Columbia, it is mandatory for all cyclists, regardless of age, to wear a properly fastened and fitted bicycle safety helmet when riding on a public road
 - this law applies to riding on all roads and pathways
- please note that a parent or guardian is responsible for ensuring a child under 16 wears a helmet
- please check out the following link for information on how to properly fit a safety helmet and how to encourage a child to wear one
